

HAGUE AND LONDON OIL PLC

("HALO", "the Company")

Hague and London Oil at NERC Oil & Gas CDT Seminar

Hague and London Oil (HALO) Plc was invited to lecture at the NERC Oil & Gas CDT: Global Energy Challenges & Mature Basins Seminar for PhD students from numerous Universities across the United Kingdom. The Seminar has been hosted, this week, by The University of Manchester in the School of Earth and Environmental Science.

HALO is a committed supporter of Advanced Education in the Earth Sciences and was very pleased to have been invited along with other major Oil & Gas companies to participate in this event. The Company hopes to inspire a new generation of Geoscientists in the Oil & Gas sector. A copy of the presentation will be available on HALO's website.

Notes:

NERC = National Environmental Resource Council - a British Research Council that supports research, training and knowledge transfer activities in the environmental sciences.

CDT = Centre for Doctoral Training - a collaboration of 6 Partners: Aberdeen, Durham, Heriot-Watt, Imperial College London and Manchester Universities and the British Geological Survey.

Notes to Editors

Hague and London Oil plc is an oil and gas company, which together with its subsidiary companies, is primarily focused on the Southern North Sea, with a diverse portfolio of offshore producing, development and exploration assets. On 10 November 2017, HALO completed the acquisition of Tullow 101 Netherlands B.V., comprising a portfolio of exploration and production licences in the Dutch Southern North Sea. The acquisition was financed by a structured offtake and finance facility of €6.0m provided by Engie Energy Management SCRL ("ENGIE"). On 31 December 2018 the Company completed the acquisition of Third Energy Offshore Ltd. comprising a portfolio of development and appraisal licences in the UK Southern North Sea. This acquisition was purchased through the issue of 5.75mm shares to Third Energy Holdings Ltd. (a Barclays Principle Investment entity).
